## Swimming Pool Meeting, Sun., Feb. 17

Coleman young people may enjoy the facilities of a swimming pool next year if rate-payers of Coleman, and citizens of the Improvement District sanction spending of the government's recreation grants in a joint effort. This matter is to be discussed at a public meeting scheduled to be held in the Union hall at 2 p.m. on Sunday, February 17.

Decision to hold the public meeting was made at the council's regular meeting on Tuesday evening, January 29th, when citizens of the Improvement District and Blairmore road represented by Steve Mraz and Bill Skura approached council to discuss the feasibility of building a swimming pool.

The Improvement District and the town's government recreational grants total some \$27,000, and if a pool is built another \$7,000 grant is available boosting the total to \$34,000.

It was estimated that a pool similar to the one in Cochrane, measuring 55 feet by 24 feet, would entail a cost of some \$40,000.

These figures were divided by William Skura of the Improvement District, who visited Cochrane last season to examine the pool in that community which has a population of only 1700.

Since it was felt that Coleman proper would have to bear the cost of maintaining such a pool, if it is built, brought up the matter for discussion and several of the representatives of council and the Improvement District, reported that this could be overcome by having the Improvement District increase its millrate so that a proportionate cost of operation would be borne by them as well as the town.

It was stated that the hamlet of Hillcrest, which is also an Improvement District, had done this to help pay off their new community centre built last year.

Councillor John Holyk asked Steve Mraz, who is chairman of the Coleman School Board, if the school would accept the pool as a gift if built on the school property, as Mr. Holyk pointed out that this would be the only fair way to see that costs of pool operation are evenly borne by all concerned.

Councillor Jenkins suggested that if the green light was given to build the pool that consideration should be given to building a closed-in pool so that an appreciable season of swimming could be enjoyed. He indicated that the season here for swimming is very short, and with a closed pool a long season could be enjoyed.

Mayor John Ramsay, feeling that nothing could be settled at this meeting, suggested that a public meeting be called where all ideas and suggestions could be thrashed out.

Jack Jenkins, representing the residents of West Coleman, was also present at the meeting, and informed council that residents there are faced with the problem of having water in their basements which in turn prevents many of the people from enjoying gas furnaces.

Mr. Jenkins suggested that the water coming into West Coleman was rusty and oily and concluded that this water was coming out of the International's north mine, which was filled last year. He also added that if the town does not do something about having this problem corrected, the council should consider a considerable tax allowance reduction as the citizens are being deprived of the use of their basements and the use of gas furnaces which thus depreciates the value of their homes.

Mr. Jenkins also queried as to what action council was taking to have the coal company remedy the dust problem emanating from the new dryers installed by the mine.

It was reported that council members had met with F. J. Harquail of Coleman Collieries, who indicated that when the dryer is fully accepted by the company the unit will put out a minimum of dust. It was also indicated that the coal company are tearing down the old sheds in the vicinity of the

McGillivray tippie and that the slurry here would be covered with gravel to eliminate some dust.

The slurry will, in future, be piped into the old mine workings.

Information also disclosed that the water escaping from the mine was going into the Crows Nest River east of town, which is at a much lower level than West Coleman. However, the company's engineers are to look into the matter.

Mr. Jenkins was informed that with respect to the water problems that the town have contacted the Minister of Water Resources with a view to having the river dredged through West Coleman, which would help to relieve the water problems.

Further investigation is being carried out to completely eliminate the problem. Council assured Mr. Jenkins that they were doing all in their power to eliminate both the dust and water problems and would leave no stone unturned until the matter is completely cleared up.

The Old Man River District Planning Commission suggested that the department include the Improvement District as a member so that a unified planning control can be enjoyed by all concerned.

An extension course in Civil Defence training is to be investigated if a minimum of 25 candidates enroll for the training. It was felt that there would be no difficulty in getting the 25 interested persons as the Coleman 15-man volunteer Fire Brigade has already signified its interest.

Council also heard the Coleman Library financial statement for the year, which indicated that a successful year had been enjoyed.

Receipts indicated a grant of \$500.00 from the Coleman School District, \$300.00 from the government, membership dues \$130.00, fines and fees, \$25.10, and with a balance of \$248.64 from the previous year a total of \$1203.74 was realized.

Expenditures of \$798.45 for books, \$10.00 for repairs, \$96.63 for supplies totalled \$905.08 which left a bank balance of \$298.66 for the year.

The report also showed that there were 230 books in the library in 1962 as compared to 1605 in the previous year.

Books purchased during the year totalled 771 with 50 books being withdrawn from the shelves.

Membership for the year was 308 persons.

A new set of Encyclopedia Britannica was donated to the library by the Britannica company during the year and these, with other reference books have been put on the shelves along with other reference books for the members' convenience.

The library enjoyed a successful year under the supervision of Mrs. Roy Upton, Mrs. Mildred Zak and Rev. H. deLéuw and volunteer workers.

The school district and council were sent letters of thanks in appreciation of their fine donations towards the library's operation.

### Cancer Memorial Donations

The Crows Nest Pass branch of the Canadian Cancer Society has advised this week that arrangements have now been made for persons wishing to make memorial donations to the Cancer Society in place of sending flowers to be received families.

Cash donations may be made to Vern Decoux at Blairmore, who will issue an official receipt and see that a memorial card is sent to the bereaved family, advising that the donation has been made.

### Staff Sgt. H. Lord Is Transferred

Staff Sergeant Harry Lord of Blairmore, was honored at a farewell party on Saturday evening, February 2nd, when some forty guests were seated at a banquet supper held in the Blairmore Armories building.

During the evening S/Sgt. Lord was called upon by Lieut. Lui Margatak, who, on behalf of the officers and staff of the 31st Technical Sqdn. RECEME (M) presented the guest with a farewell gift of a brief case.

In accepting the fine gift, Sgt. Lord expressed his regrets in leaving the district, as Blairmore was his home town. Mrs. Lord was also called on and presented with a corsage of flowers by Mrs. B. Simpson.

Following the supper prepared by Sandy McDonald, the guests at the banquet joined another sixty friends in the Headquarters building where an evening of dancing was enjoyed.

S/Sgt. Lord left here last week for Calgary where he will take charge of two units there, and also a unit at Hanna and Bassano. He has been in charge of administration in the Pass for the past eight years. Prior to re-joining the army Sgt. Lord operated a grocery store in Blairmore.

During War Two he served overseas with the Canadian Army and saw action in a number of theatres. Mrs. Lord will join Mr. Lord in Calgary later this spring.

### Fined For Defrauding U. I. C. Fund

A Blairmore man, who had defrauded the Unemployment Insurance Fund of \$381.00, was sentenced on 12 charges to run concurrently. The total fine was \$120 and \$15.50 costs. He was given until February 1, 1963, to pay the fine.

Antal Cizmadi of Blairmore, appeared before Magistrate F. S. Radford on January 25, 1963, and was convicted of making false declarations through the Blairmore Local Office, concerning his employment and drawing benefits to which he was not entitled.

Mr. Cizmadi had claimed to be unemployed during this time, while in fact he was working for a Coleman Construction Company.

The fraud was brought to light by an Unemployment Insurance Commission investigator.

### Brownies Stress Need For Uniforms

The newly-formed Brownie Pack is growing rapidly this month as leaders, Mrs. Dorcas Colwell and Mrs. Phyllis Storer now report a membership of 56 young girls.

The club is open to all girls between the ages of eight and 12 years, and meetings are held in the new Scout Hall, built by the Coleman Lions, on Monday evenings at 6:00 p.m.

The leaders are planning on dividing the club into two or more groups and the Brownies are at present in need of uniforms.

Any former Brownies or persons having Brownie uniforms, and wishing to donate the uniforms to the new group, may do so by contacting either one of the leaders. Donations of uniforms would be greatly appreciated by the group.

### First Aid Classes In Full Swing

The Coleman Branch of the St. John Ambulance Association began the regular winter training classes in the Coleman Central school on Sunday afternoon, February 10th at 1 p.m.

Secretary of the Coleman group, Jim Kilgannon, has announced that classes will be held every Sunday until courses are completed.

All interested persons are invited to attend and take the First Aid training.

"The stethoscope was invented by a French physician, Rene T. H. Laennec, in 1816, reports World Book Encyclopedia.

William Harvey, an English physician, first described the circulation of blood through the body in 1628, says the World Book Encyclopedia.

### Six Blood Donors In The Pass Receive Scrolls

During 1962 the Southern Alberta Depot of the Blood Transfusion Service collected 32,169 bottles of blood and serviced 50 Hospitals in Southern Alberta and the East Kootenay of British Columbia.

Last year six donors from the Pass received scrolls from our National Headquarters, in recognition of their having donated 20 or more bottles to this Service. Namely: Mr. Frank Edl, Mr. James R. Glover, Mr. Geo. Jenkins, Mrs. James J. Lloyd, Dr. Robert Burgman and Mr. Lorenzo Richards.

Blairmore and Coleman & District supplied 304 bottles of blood to Crow's Nest Pass clinics. Of these Crow's Nest Pass Municipal Hospital used 325.

We are pleased to report that all hospital requirements for fresh blood were met, that any surplus blood went into fractional products.

Blood from some specific groups was collected for serum to be used at clinics, in laboratories and in hospitals for cross-matching.

We report a successful year and express sincere thanks to the donors who have given of their time and vitality, to the willing workers who did the preparation and organizing and to the friendly, capable persons who took part in the clinic sessions.

It is hoped we will see you all again about the middle of April, when Mrs. M. Dunford and Mrs. A. Pabro and their grand committees will be welcoming new and old donors at the Blood Donor Clinic slated for the Crows Nest Pass combining in Coleman.

### Simon Kowenko Laid To Rest

Requiem Holy Mass was celebrated in the Coleman Holy Ghost Catholic Church in Coleman on January 20th for the late Simon Kowenko, of Coleman, who died in the Holy Cross Hospital in Calgary on January 17.

Interment was made in Coleman Holy Ghost Catholic cemetery.

Rev. Denis Fleming officiated at the services.

Bellbearers were Nick Yurkewich, Steve Mraz, Pete Zook, Alex Jumarchuk, John Weryshko and John Sanyshyn.

Mr. Kowenko, 68 years of age, was born in Narionoba, Poland, on February 1st, 1895. He came to Canada 36 years ago and worked as a carpenter for Coleman Collieries until he retired from work about four years ago.

He was a member of the Coleman Local of the United Mine Workers of America, the Russian Federation and of the Benevolent Workers' Association.

He is survived by his wife Mary at Coleman; two daughters, Mrs. Albin (Nina) Panek of Coleman, and Mrs. Ron (Frances) Wong of Calgary; six grandchildren and a sister in Poland.

He was predeceased by five brothers in Poland.

Hall's Funeral Services Limited of Blairmore, were in charge of arrangements.

Maintaining its program of ensuring that senior government officers are kept conversant with advances in management and administration practices, the Alberta Government has again nominated branch heads from several departments to the Banff School of Ad-

## Helicopter Crash Claims Two Lives

A helicopter accident in Phillips Pass, just north-west of the Sentinel Power plant, three miles from Coleman, and near the Alberta - British Columbia boundary claimed the lives of two men on Friday afternoon, February 8th.

Dead are pilot of the helicopter, David Francis McTavish of the Chinook Flying Service of Calgary, and Archibald G. Fraser, area superintendent of Alberta Gas Trunk Lines at Sentinel.

Reports indicate the two men were on a routine check flight of the 36-inch pipe line running through Phillips Pass, and were proceeding east when the accident occurred in the early afternoon.

The aircraft was flying in an easterly direction into a bright sun. The helicopter crashed just below a steel cable that is used to carry a small cable car to the microwave tower on top of Mt. Phillips.

When the helicopter crashed it burst into flames. The body of Fraser was still in its seat, while the body of McTavish was a few feet from the wreckage, which is scattered over the area.

One of the bodies was badly

burned. No inquest will be held, but an investigating team from the Department of Transport is checking the mishap. Both bodies were removed about 5:30 p.m. to Halls Funeral Services Limited in Blairmore.

The aircraft was missed when it did not return to Sentinel for refueling. A team of men from the Alberta Gas Trunk Line were sent out to check the area for the aircraft and found the wreckage on the gas pipeline.

Mr. Fraser, 29, is married, and has two children, residing at home in Sentinel.

Funeral services for the late Archibald Gordon Fraser were held in the St. Alban's Anglican Church in Coleman on Tuesday afternoon, February 12th at 2:00 p.m., conducted by the Rev. Peter Millen. Remains were then forwarded to Medicine Hat for grave-side services and interment in the Hillside cemetery on Wednesday.

The remains of Francis David McTavish were removed to Calgary on Sunday, February 10th by Gooder Bros. of Calgary for service and interment in the city.

### W.G.M. Miller Pays O.E.S. Official Visit

Approximately 40 ladies attended a banquet supper in the Satellite Cafe in Coleman on Wednesday evening, February 6th to mark the official visit of Worthy Grand Matron, Mrs. Francis Miller of the Lettbridge Maple Chapter, O.E.S.

Following the banquet supper, approximately 50 ladies gathered in the I.O.O.F. hall where Mrs. Miller paid her official visit to Minerva Chapter No. 41, Order of the Eastern Star. Also present at the meeting was Associate Matron, Mrs. Patterson, of Laurel Chapter in Lettbridge. Visitors were present at the meeting from the Lett Chapter of Blairmore and the Bellecrest Chapter of Hillcrest.

Worthy Grand Matron Miller paid her official visit to the Lett Chapter on Tuesday evening and visited the Bellecrest Chapter on Thursday after which she proceeded to Pincher Creek to visit the Chapter there.

### Mrs. Ines Holstein Is Bereaved

Mr. Giacomo Baratelli, aged 89 years, passed away at St. Eugene Hospital, Cranbrook, B. C., January 23rd, 1963.

Funeral services were held at Natal, B. C., on January 26th.

Left to mourn his passing are a daughter, Mrs. W. (Ines) Holstein of Coleman, and a son, Mr. Dino Baratelli of Calgary.

The late Mr. Baratelli was predeceased by his wife on July 24, 1928.

### MacLeod Social Credit Officials Appointed

Ernie Patterson, Federal Social Credit candidate for Macleod, stated today that he has appointed Mr. Glen Lett of Claresholm as his official agent and Mr. George Buzunis of Fort Macleod as his campaign manager.

Mr. Lett, principal of Claresholm junior-senior high school, served as Mr. Patterson's official agent in the 1962 campaign.

Mr. Buzunis, mayor of Fort Macleod, takes the place of Mr. Jack Dickinson, who will be away on business during the current campaign.

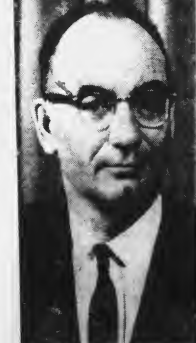

Mr. Patterson, a Claresholm high school teacher, was the first candidate to be nominated by any party in Canada for this Federal election.

He was nominated July 21, 1962, by acclamation at a nominating convention held in Fort Macleod.

Mr. Patterson was runner-up in the 1962 campaign in the Macleod riding.

Human cross-circulation — permitting a second person's heart and lungs to pump the blood of a person under surgery — was developed by an American surgeon, C. Walton Lillehei, in 1954, reports World Book Encyclopedia.

A mechanical heart and blood purifier was used successfully for the first time in 1953 by John H. Gibbon, an American surgeon, according to World Book Encyclopedia.

vanced Management being held February 4 to March 16 at the Banff School of Fine Arts.

Those attending this year are left to right, H. E. Martin, Director of Publicity and Advertising, Department of Industry and Development; John Gregory, Head

Industrial Engineering Services, Research Council of Alberta, and Clifford L. Keatley, General Traffic Manager, Alberta Government Telephones.

The course, which is limited to approximately 70 enrollees, draws executive attendance from across Canada and the United States.

### VALENTINE'S DAY

Valentine's Day with its hearts inspires most lads to think of love, courtship and dainty morsels of chocolate candy.

**But to Robert Janus, the heart means an organ that does enough work in 12 hours (obviously a non-union heart), to lift a 65-ton tank car one foot off the ground.**

Not content with such an unhappy comparison, Janus goes on to report that the heart pumps blood through about 100,000 miles of blood vessels - a distance equal to five round trips between New York and Sydney, Australia

A man's heart is only about the size of his fist, yet it pumps approximately 1800 gallons of blood through his body each day.

In its first stage of development, the human heart is like the heart of a fish - only a simple tube. Then it resembles the heart of a frog, then that of a snake. When it's fully developed, it resembles the heart of a bird.

Janus, unfortunately, should know. He's science editor of World Book Encyclopedia. Mrs. Janus doesn't care - she'd better get her heart-shaped box of candy, or else.

### OF MANY THINGS

By Ambrose Hills

Reports from the Venus probe indicate that it is unlikely that planet can support life. Well, it isn't too easy to support on this one!

Parents make a mistake when they raise a child to think this world is an easy one. A child should be allowed to stub his toes early, to fall from bicycles, to get a black eye and broken lips, to do without, to share the work around the home. In the old days, there was wood to chop, water to carry, and those chores were good for us. Today, too many lads enter the adult world with no toughening up to enable them to face difficulties.

I know one lad who owns an old car. When a part breaks down, he must save for a new one, or devise a part. He probably feels sorry for himself. In my opinion, he is better off than another lad whose father sees to it that he has a new car and that it is repaired on demand. One is developing character, patience, and other worthwhile qualities; while the so-called lucky lad is going to be soft. When life starts to batter these boys later on - as it will do in one way or another - I believe the boy that is learning to take knocks now will stand up better.

To stand up on one's own to the difficulties this life presents to each individual is not easy. It requires advance training. It requires an ability to take it. For the person able to do this, life is a thrilling experience.

Some parents deny their children this training. Then they are surprised when, at the very first buffeting, the adolescent caves in, because he has not been properly tempered. Instead of enjoying the security that comes from individual ability and strength, the child finds life just too much to face. Some end up in Mental Hospitals or similar institutions, the only place where they can find the so-called "security" their parents forced on them.

### Vapors Are Harmful Warns Safety Body

Vapors from improperly deodorized garments cleaned in self-service dry cleaning machines can be dangerous, warns the National Safety League of Canada.

The League has reports of instances where such vapors intoxicated car drivers and caused serious accidents.

"The introduction of self-service, coin-operated dry cleaning establishments," N.S.L. declared, "has created this new condition necessitating adequate precautions. Fluids used in dry cleaning are known to be toxic, said Gay McLaren, N.S.L. general manager.

If garments are not properly de-

odorized in the tumbling operation at the end of the cleaning cycle, residual vapors will be present in the articles for some time.

Should these improperly dried garments be placed in a closed area, such as a car with windows shut, the vapors can harm the occupants.

Mr. McLaren said, "If a strong odor of solvent is detected when the garments come from the drier, they should not be placed in an area without proper ventilation. If that area is a car, there must be lots of fresh air. Hang the articles in a well-ventilated room at home until the odor of the toxic solvent has disappeared."

Love is an ocean of emotion surrounded by expenses of expenses.

## TENDERS FOR ERECTION and COMPLETION OF TWO STALL SNOW PLOW SHEDS at COLEMAN, PINCHER STATION and ETZIKOM, ALBERTA.

Sealed tenders addressed to the undersigned for the erection and completion of Two Stall Snow Plow Shed at Coleman, Pincher Station and Etzikom, Alberta, will be received up to 2:00 o'clock P.M. Mountain Standard Time, Thursday, February 28th, 1963.

Plans, specifications and tender form covering one given location may be had on application to the Architectural Office, Department of Public Works, Terrace Building, Edmonton, and will be available only to contractors registered or licensed in the Province of Alberta, on deposit of Fifty (\$50.00) Dollars. For tender form and plans of each additional location, an extra \$10.00 shall be deposited. Deposit shall be refunded when plans and specifications are returned to this Department complete and in good order not later than one week after closing date of tendering, otherwise the deposit shall be forfeited. Plans and specifications have been placed with Builders Exchanges in Calgary, Edmonton, Red Deer, Lethbridge and Medicine Hat, for the use of sub-trades.

Each tender must be accompanied by a certified cheque for Ten (10%) per cent of the tender which will be returned within six days after contract is awarded.

Successful bidder will be required to give a Certified cheque or properly assigned Government of Canada or Alberta Provincial Government Bond for Ten (10%) per cent of the contract or a 100% Performance Bond.

The lowest or any tender not necessarily accepted.

Tenders will be opened in public in D.P.W. Conference Room No. 1, Block "A", Terrace Building, Edmonton. Contractors submitting bids are invited to attend.

A. ARNOLD,

DEPUTY MINISTER OF PUBLIC WORKS.

#### AUDITOR'S CERTIFICATE

I have audited the accounts of the Coleman School District No. 1216 for the year ended December 31, 1962, and certify, subject to any qualifications mentioned in the Auditor's Special Report above, that all the information and explanations I have required have been supplied, and that in my opinion the foregoing financial statements are properly drawn up so as to

exhibit a true and correct view of the financial affairs of the School District according to the best of my information, the explanations given to me, and as shown by the records.

(Signed)

T. A. COLLISTER,

Certified General Accountant,  
Coleman, Alberta.

Date of Audit: January 18, 1963.

#### Deputy Minister Has New Role

J. E. Oberholtzer, deputy Minister of the Alberta Department of Industry and Development, has been named Chairman of the Session on Structural and Locational Problems of Industry at the United Nations conference on Science and Technology. The Conference is being held at the Palais des Nations at Geneva, Switzerland, February 4 to 20 inclusive.

#### Woman Drives Into Mine

Of interest to miners in the Crows Nest Pass districts is an article that appeared in a Sydney, Australia, newspaper recently. The article reads:

"A woman driving from Sydney to Melbourne with her two young sons, came to a sudden halt—half a mile inside a coal mine.

The woman drove into the Burragorang Valley after missing the turn-off at Camden.

She continued down the mountain road and into the mine entrance—which she thought was a tunnel.

First doubts came when she hit a roof prop.

The woman drove into the mine at 12:30 a.m. and did not find her way out until 6:00 a.m. She told her story to two astonished mine employees, J. Oates and E. A. Smith, who went into the mine and pushed the car back into the open, and Mr. Oates drove the car back to Sydney.

Both miners stated that the woman and her two sons were lucky that the car did not dislodge the mine prop and cause a fall of coal on them.

#### Letter Of Interest To Pass Residents

Mrs. L. M. Simpson,  
Crestview Lodge,  
Pincher Creek, Alberta.

Dear Mrs. Simpson:

Mr. Lawrence Kindt, M.P., wrote to us some time ago, sending us a copy of your letter to him, and I apologize for the delay in writing to you, but I was awaiting information about the resumption of our extension plans for Calgary, which, as you are aware, were suspended in the fall of last year.

I am pleased to be able to advise you that provision has been made in our capital budget estimates for the fiscal year 1963-64 to proceed with our radio extension plans for Alberta. The proposed Calgary station will serve the Pincher Creek area and will provide the full CBC network radio service.

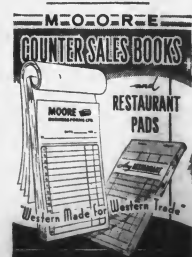

I am informed that a booster station such as you suggest would not provide a satisfactory solution to the reception problem in Southern Alberta.

Your interest in receiving CBC programs is much appreciated.

Yours sincerely,

(Original Signed)

"Charles P. Wright",  
Executive Assistant,  
Corporate Affairs.

## TRANS-CANADA JOURNEY

From Newfoundland's heaving seas to Vancouver Island's Pacific shores, TRANS - CANADA JOURNEY takes you travelling.

You see Canada, sometimes from on high, sometimes at ground level, as if the great thunderbird in which you fly knows every vantage point, every place to alight to give you intimate, colorful glimpses of this broad land.

The quiet charm of Prince Edward Island, the colorful songs and dances of the Maritimes, Montreal's gleaming sky-scraper row, Toronto's dynamic Canadian National Exhibition, the awesome might of Niagara, the wind-rippled grain fields of the prairies and the song of a cowboy on the cattle trail, the sky-piercing majesty of the Rockies, the mountain-fringed city of Vancouver.

Trans-Canada Journey gives you all this and more — varied and memorable impressions of a vast and beautiful land, of people of many ethnic origins, of a

resourceful and industrial nation. Impressions you would need days and weeks to gather at first hand are brought to you in this vivid, three-thousand-mile panorama.

TRANS - CANADA JOURNEY is now available for your use. This outstanding color film on Canada will have wide appeal for audiences of all ages and interests. To book the film please contact your nearest Public Library or Film Council listed below:

### ALBERTA:

Edmonton Film Council—City Recreation Building, Edmonton.

Medicine Hat Public Library—Medicine Hat, Alberta.  
Lacombe Public Library—Lacombe, Alberta.

Grande Prairie Film Council—Norman Dalen, Grande Prairie, Alberta.

## New Red Cross Record in Blood Collections

The Canadian Red Cross Blood Transfusion Service has reported that it collected 744,006 bottles of blood in 1962, an increase of 64,687 bottles over the previous year.

Vernon C. Hale, of Hamilton, national blood donor chairman, said that the figure was a new high for blood donations in Canada and represented an increase of 9.5 per cent over 1961.

Mr. Hale was enthusiastic about the support of voluntary donors, and stated that due to their generosity throughout the year the Canadian Red Cross was able to meet the demands of Canadian hospitals for whole blood and blood products. He estimated almost 900,000 patients received free transfusion therapy during the

year.

Based on the price of blood prior to the introduction of the free blood service, usually \$25.00 per bottle, Red Cross authorities estimate that the blood transfusion service saved Canadian patients more than 18 million dollars in 1962.

The Red Cross blood transfusion service provides free supplies of whole blood and blood products such as serum albumin, gamma globulin, fresh frozen plasma, anti-hemophilic globulin, and fibrinogen to all hospitals and medical practitioners in Canada.

Blood collections according to provinces:

British Columbia, 66,313; Alberta, 69,937; Saskatchewan, 38,873; Manitoba, 49,090; Ontario, 248,165; Quebec, 192,357; New

Brunswick, 25,385; Nova Scotia, 35,358; Prince Edward Island, 5,244; Newfoundland, 13,276.

Since the inauguration of the blood transfusion service in 1947, Canadians have voluntarily donated 5,929,360 bottles of their blood to the Red Cross.

The Canadian and the American Red Cross also have a mutual agreement and in most cases, are able to provide free blood for citizens who may require transfusion therapy while visiting our respective countries.

### Blairmore Man Is Victim of Highway Accident

A Bellevue man, John Venier, 31, is being held in custody by Blairmore police following an accident involving his car at 12:45 p.m. Sunday, which claimed the life of a Blairmore man, 70-year-old Philip Mascaro.

Blairmore police, assisted by RCMP, are investigating. Coroner P. S. Radford of Blairmore, has announced no inquest will be held.

The accident occurred on No. 3 highway at the east end of Blairmore when Mr. Mascaro was enroute home. He was crossing the highway when the accident occurred. An eyewitness from Coleman aided police in locating the accident car in Bellevue one hour later.

Venier appeared before Magistrate Radford in Blairmore Monday morning and was charged with unlawfully failing to stop a motor vehicle he was driving after the accident resulting in the death of Mascaro and drove on without giving his name and address to police. No plea was taken.

Coroner Radford remanded Venier in custody until February 12th at 10 a.m.

Mr. Mascaro was born in the province of Catanzaro, Italy, and came to Canada in 1916, settling in Blairmore.

He worked in the mine for West Canadian Collieries as a track layer until the early 1950's, when he retired on a miners' welfare pension.

He was a member of the Italian Society, Blairmore local of the UMW and the Hillcrest Miners Club.

Survivors include one son Frank, and three grandchildren in Calgary, Alberta.

Prayers were said Tuesday at 7:30 p.m. in the Chapel of Hall's Funeral Home. Requiem High Mass was celebrated by Rev. Dean P. Tessier in St. Anne's Catholic Church in Blairmore.

Interment followed in the Catholic cemetery. Hall's Funeral Service was in charge of the arrangements.

### Lions Name Bingo Winners

Winners of prizes at the Coleman bingo were:

\$12 prizes, Ed Nuttal and Mrs. M. Jarvis of Blairmore, and Mrs. R. Perry and Mrs. DeBert Jahn of Coleman; \$10 prizes, Louise Montalbetti, Mrs. J. Hardy, Carl Noddo and Mrs. R. Parry; \$5.00 prizes, Andy Gettman and Shirley Zagis; \$3.00 prizes, Tom Cunningham, Angelo Toppino, Edna Campbell, Carl Noddo and Bertha Morgan of Michel, B. C.

Four door prizes were awarded to Jack Goulding, Mrs. Anderson, Miss Laurie Coombs and Mrs. Jean Ennis of Blairmore.

The next bingo night will be on February 20th when jackpot prizes of \$165.00 in 60 numbers and \$90.00 in 55 numbers, will be offered.

### Mary Atkinson Wins \$200.00 Jackpot

Mary Atkinson of Coleman was the lucky winner of the \$200.00 jackpot prize at the Elks bingo night.

Mrs. Atkinson completed the blackout in 49 numbers but did not call out her blackout until 51 numbers.

Other winners were: Grocery hamper, Tony Pollack of Natal, B. C.

Electric can opener, Mrs. Chas. Vejprava of Frank.

25 gallons of gas, Joan Yarmie.

\$20, Mrs. Gardiner.

Macaroni maker, Mrs. Ed Wakaluk of Blairmore.

\$10 split by Mrs. D. Pow, Edna Campbell and Mrs. B. Goodwin of Bellevue.

Grocery hamper, Rene Buydens.

\$25, Mrs. R. Parry.

\$10, Delina Pow.

Chrome rocker, Harry Draper.

Electric toaster, Mrs. P. Montalbetti of Blairmore.

\$10, Mrs. A. Montalbetti.

The next bingo night is to be held on February 15th and will feature a jackpot prize of \$200.00 in 52 numbers.

### Special Fares For V.G.W.

Canadian Pacific Railways officials announced to Varsity Guest Week-end planners at the University of Alberta recently that drastically reduced fares will be available for all persons attending VGV at Edmonton, February 21 - 24.

Fares will be the regular amount coming to Edmonton but will be

reduced to one-tenth the regular fare returning when stamped by a VGV official at the registration desk in the Students' Union Building on Saturday, February 23rd.

This is the first year that there will be no restriction as to the size of the party that is attending.

### Card of Thanks

We would like to express our sincere thanks and appreciation to Dr. E. Aiello, Dr. Victor Martinez, the nurses at the Crows Nest Pass Municipal Hospital, and to all who were so kind and visited the late Simon Kowenko. We would also like to thank the pallbearers, those who sent floral tributes and cards, and all who were so kind to us during our recent bereavement, in the loss of our husband and father.

Mrs. Mary Kowenko and Family.

### Card of Thanks

We wish to express our sincere thanks to Dr. Aiello, Father Fleming, Harry Harris, friends and neighbors for their kindness to our father, Mr. J. Krywolt during his recent illness; also to all those who helped in any way during our sad bereavement. Sincere thanks to the honorary pallbearers of the Coleman Elks Lodge.

The Krywolt Family.

Miss Peggy McDonald is spending the winter months with her mother Mrs. J. A. McDonald.

Mr. and Mrs. T. Maunsell of Nelson, B.C. visited Mr. and Mrs. Alf Phillips last Saturday.

Miss Sharon Sudworth will graduate on February 15th from her Nursing Aide course in Calgary. Her mother, Mrs. J. Sudworth and her sister, Caroline, will attend the graduating ceremonies.

A renewal subscription to The Journal was received this week from Mr. A. Fry of Calgary. He stated he enjoyed reading the Journal and wished to be remembered to old friends here.

Mr. and Mrs. Ron Wong of Calgary, and Mrs. Edna Pozniak of Creston, B. C., were recent visitors at the home of Mr. and Mrs. Albin Panek, also visiting the Paneks was their daughter Geraldine, who is attending the University of Alberta in Calgary.

Mr. Jack Clapham of Edmonton was the recent guest of Mr. J. Howarth.

Pastor Leslie Funk of Pincher Creek, visited with friends in Coleman last week.

Mrs. A. J. Phillips received word from her sister, Mrs. J. (Winnie) Barrow in Wales, stating they had experienced a very severe winter - the coldest temperatures and more snow and ice than they had ever known. Mrs. Barrow visited here last summer and sends best wishes to all the friends she made in Coleman.

Mr. and Mrs. John Hanrahan of Pincher Creek, visited the former's parents here last Wednesday.

Mr. and Mrs. Alf Thompson and baby daughter from Ta Ta Creek, B. C., visited the latter's parents, Mr. and Mrs. J. Kilgannon.

Dr. and Mrs. Peter Allen of Edmonton, accompanied by the former's parents, Mr. and Mrs. Edgar Allen, visited at Snow Valley ski run at Fernie, B. C., during their recent visit here.

Mr. and Mrs. Bobby Hewitt and family, accompanied by Mr. and Mrs. Ed Hewitt of Pincher Creek, were recent visitors at the homes of Mr. and Mrs. M. Robinson and Mr. and Mrs. J. Owen.

### Senior Citizens Celebrate Birthdays

Mrs. George (Agnes) Derbyshire celebrated her 80th birthday on Sunday, February 3rd, when a number of friends called to wish her many happy returns of the day.

A delicious lunch was served including a candle-decked birthday cake made by Mrs. Ernest Montalbet. All joined in singing "Happy Birthday".

The honored guest received a great many birthday cards from friends far and near, and also a beautiful bouquet of cut flowers from an old friend.

Mrs. Derbyshire thanked all for their kindness.

Mrs. J.M. Rushton celebrated her birthday on February 6th, when a number of friends called in the afternoon and evening to wish her Many Happy Returns of the day.

Several ladies of the Royal Purple Lodge called when a lunch was served including a delicious birthday cake.

Mrs. Rushton was presented with a bouquet of flowers sent by her daughter Mrs. A. Pitchford from California, she also received long distance phone calls from her two daughters in California.

Mr. Adam Hammer celebrated his 76th birthday on February 8th. A number of friends called in the evening to wish him Many Happy Returns of the day, when a birthday cake was enjoyed by all present.

The Journal joins in extending Best Wishes to these Senior Citizens.

### WEDDING

Hendrickson - Hayashi

A quiet wedding took place on January 5th at the United Church Manse when Carol Hayashi of Coleman, and Floyd Hendrickson of Lethbridge were joined in the bonds of holy matrimony by Rev. H. G. deLeeuw.

The bride wore for her wedding a pale blue organza sheath with a white hat with veil. Her bridesmaid was her sister-in-law Gloria Hayashi, and the best man was Harold Hayashi, the second eldest

brother of the bride.

A reception was held at the home of the bride's mother, Mrs. Hayashi on 4th street. The young couple have taken up residence in Lethbridge.
